Meeting was called to order at 3:00. The minutes of the July 10th meeting were approved with one semantic correction. "had fallen by the wayside" changed to "needs to be revisited" in re: Emergency Shelter.

Nagle stated that Brian Carlson reported that the grant for emergency generator for the Rec Center was "at the state level".

Re: People with dogs being refused table service at outdoor cafés in town. Provincetown's Bylaws are stricter than State Bylaws. See: Food Establishment Regulations, Article 6, Board of Health Part 4, article 6-4c allowing dogs to attend their owners at outside patio dining establishments.

Motion to petition the Board of Health that the town adopt "Doggie Dining Law" as written in Florida and signed into law in 2006. So voted 3-0.

Dog House Auction November 1 to benefit the Dog Park. Green bowls have brought in over 5000.00 so far. Dog park moving apace.

Adjourned: 4:00.

Respectfully submitted.
