

OUTERCAPE FINANCE COMMITTEE COLLABORATIVE

Minutes for August 13, 2013

Meeting was called to order at 6:00 p.m. at the Town Crier Motel in Eastham, Massachusetts

In attendance were: Mike Canizales, MaryJo Avellar, Catherine Russo, Duane Steele, Roberta Lema (robertarlema@comcast.net), Judy Cannon, Clarence Walker, Dave Schropfer, Brian Eastman, and Marilyn Miller (Press)

The Town Moderator for Eastham, Dave Schropfer, stated that there is already a Cape Cod Collaborative Group that meets from the four towns of Eastham, Wellfleet, Truro, and Provincetown. It is comprised of town officials, usually a town manager, and a selectperson and/or moderator from each town. The topics recently have been sharing equipment, bidding on asphalt prices, paving, and Barnstable County's Assessments. The budget for these four towns is higher than all of Barnstable County. From Provincetown our attendees are usually Austin Knight and Karen Lynn. Mr. Schropfer suggested sharing information between the two groups. There was also a discussion regarding sharing couriers for court paperwork, police dispatch, lock-up facilities, and human resources. Also discussed were job openings between the towns as well as the town's capital plan. Several members suggested that staff housing for the summer was top priority for their towns. Mike Canizales asked about using the North Truro Air Force Base for housing.

The meeting adjourned at 7:30 p.m. with a unanimous vote.

Respectfully submitted:
