

**Town of Provincetown
Recreation Commission Meeting
Veterans Memorial Community Center
2 Mayflower Street, Provincetown
Minutes of Tuesday, April 11, 2017**

Members Present: David Oliver (Chairman), Lori Arnott, Bobby Enos

Members Absent: Tim Downey, Heather Rogers

Also in attendance: Recreation Director, Brandon Motta; Assistant Recreation Director, Angelina Lammie

Call to order: 5:30 pm

Public Comment:

- A) None

New Business:

- A) Playground Equipment (Global Motion)-Brandon shows the board two new possibilities for playground equipment. Brandon explains that the pieces are expensive. The first piece of equipment is a large globe spinner that is \$29,000 plus installation. David agrees that the price is very high. Brandon explains that there is a much smaller part that is \$8000 but not nearly as enticing to play on. Bobby asks if there are other companies that sell playground equipment. Brandon explains that there are but this is the only company that sells the type of equipment that is used on all the town playgrounds and it's good to keep the pieces consistent with regulations and this type lasts the longest. The commission agrees to table the topic until a more reasonably priced piece of equipment becomes available.

Old Business:

- A) Motta Field Fees Discussion- Bobby hands out copies of his ideas for the fee rates for Motta Field. Bobby presents his ideas to the commission and explains that each column depends on "for profit vs. nonprofit" and what time of year. Bobby suggests getting into the idea of revamping the field for the use of attracting larger sports teams like the Cape Cod Baseball league. Bobby points out that this would benefit Provincetown in several ways. Brandon suggests getting a design in place for what they would need. Brandon says he will have someone take a look at the field.
- B) Skate Park-Bobby asks what equipment would be usable at the current Skate Park if it needed to be moved to a new space. Brandon explains that some of it needs to be upgraded like the half pipe. He explains that if the skate park needs to be moved then he needs to look into spacing and set up of skate parks and pieces of equipment that are relevant for today.

Director's Report:

- A) Summer Program Brochure-Brochure is complete and ready for registration. The theme this summer is Survivor. We will be emphasizing teamwork and good sportsmanship throughout the entire summer with the Survivor theme. The entire program will be

broken up into teams that compete against each other in a variety of challenges all summer. The team that wins the summer overall will win the grand prize.

- B) Gym Floor-Scott Deering will be repairing the patch in the gym floor and then putting urethane over the entire surface. He will be contacting Brandon soon to discuss dates and timelines.

Assistant Director's Report:

- A) Spring Celebration- Ptown Rec, Ptown PTA, Pilgrim Monument and Seashore Point all came together for a great event. The turnout was about 150-200 people total with about 120 children. It was a great success for everyone involved and Rec, PTA, Monument & Seashore Point will be meeting to make sure that next year is even better.
- B) April Vacation-We will be offering full day Rec during April vacation for Provincetown students. Childcare is 9 am till 5 pm with a fun-filled schedule each day. On Wed of April vacation we are inviting the Creature Teachers to come back with their exotic animals for us to see and pet.

David makes a motion to adjourn.

Heather seconds.

Meeting adjourned at 6:20 PM.
