

## Board of Selectmen & Water & Sewer Board

# Public Notice

### Schedule of Sewer User Rates

#### Sewer User Rate

\$14.28 per thousand gallons

On September 18, 2017, the Provincetown Water and Sewer Board held a public hearing and voted, pursuant to MGL c. 83, §16, to increase the sewer user peak period rates from the current rate of \$0.01385/gallon to \$0.01428/gallon, with an increase each peak period for the next ten years (see table below). On September 18, 2017 the Provincetown Board of Selectmen voted, pursuant to MGL c. 40, §22F, to approve the recommendation of the Water and Sewer Board, effective April 16, 2018.

Approved Sewer Peak Period Rates	
Current Rate	\$13.85 per 1,000 gallons
April 16, 2018-October 15, 2018	\$14.28 per 1,000 gallons
April 16, 2019-October 15, 2019	\$14.72 per 1,000 gallons
April 16, 2020-October 15, 2020	\$15.18 per 1,000 gallons
April 16, 2021-October 15, 2021	\$15.65 per 1,000 gallons
April 16, 2022-October 15, 2022	\$16.14 per 1,000 gallons
April 16, 2023-October 15, 2023	\$16.63 per 1,000 gallons
April 16, 2024-October 15, 2024	\$17.16 per 1,000 gallons
April 16, 2025-October 15, 2025	\$17.69 per 1,000 gallons
April 16, 2026-October 15, 2026	\$18.24 per 1,000 gallons
April 16, 2027-October 15, 2027	\$18.77 per 1,000 gallons

The rate for the off-peak period (October 16-April 15 of each year) remains unchanged at \$13.85/1,000 gallons.
