 Re: Appointment to Town Boards

Date: 9/30/22

The report format provides the appointing authority with a comprehensive view of vacant positions on each Town Board. Each table identifies the amount and type of positions that are vacant; the authority for making the appointment; the length of the term and the date on which the appointment devolves to the next appointing authority. The following table also contains names of individuals requesting consideration to fill a vacancy. Applications should be filled out [HERE](#) and will be forwarded to the appointing authority for consideration.
